SHINING MINDS: RECTO MATHLETES DOMINATE THE 6TH PNVMO

September 13 - 14, 2025

RECTO TEAM BAGS 40 AWARDS IN 6TH PNVMO

The Recto Mathletes once again brought honor and pride to the school as they showcased their brilliance in the 6th Philippine National Vedic Mathematics Olympiad (PNVMO) held on September 13, 2025. In preparation for the big event, intensive review sessions were conducted from August 28 to September 12, 2025. During these sessions, student-participants were trained in various Vedic Math techniques such as rapid multiplication, vinculum, squaring, division, and mental problem-solving strategies. The review included mock quizzes, drills, and coaching that helped boost the students' speed, accuracy, and confidence.

All the hard work and dedication paid off during the competition proper. The Recto Team proudly bagged a total of 40 awards, proving their excellence in the field of mathematics:

- 🥇 5 Gold Medalists
- 🥈 5 Silver Medalists
- 🥉 18 Bronze Medalists
- 🏆 12 Merit Medalists

This great achievement shows the hard work of both the students and their coaches in developing skills beyond the classroom. It also proves the school's strong support for excellence by joining national and international competitions. The victory of the Recto Mathletes in the 6th PNVMO 2025 is not only a testament to their perseverance but also an inspiration to other students to embrace the beauty of Vedic Mathematics and strive for greatness in future endeavors.

Congratulations, Recto Team! Your hard work truly counts.
